

We encourage everyone to sign-up for the WINS (Warning Information Notification System) today at [www.bereadystclaircounty.org/](http://www.bereadystclaircounty.org/) by clicking on the WINS link (upper right hand corner). This system is integrated with St. Clair County and allows many options for notifications beyond the Capac School District notifications.

With the WINS notification system you can receive notifications by text message, email, or phone call. When signing up, you will need to provide your name, telephone number, and email. Then you can customize your notifications. If you only want Capac School District alerts, click on the blue plus sign in front of schools and check the box (see below).

### My Alert Subscriptions

Choose what you want to be informed about.

- Severe Weather
- St. Clair County
- Cities and Townships
- Emergency Alerts
- Schools
  - Capac School District (6)
    - Capac Elementary Closure / Early Dismiss
